1. How do you think GenAI might help in your day-to-day work or life?

1 / 1 point

GenAI is really powerful in assisting ay to day tasks like brainstorming ideas, recipes, learning for all ages.

2. What's a surprise or frustration that you learned about AI from this week's material?

1 / 1 point

I was surprised about how simple neuron is at the heart of GenAI and history of AI development tracing back to Alan Turing. The frustration is how much effort I will have to put in thinking abut the prompt to get the right output and not wasting time and money.
